

Standard Of Excellence - Book 1

Tracking Goal Sheet

Check off each exercise once you can play it with ease. (1. Play along with each video, 2. Play it often over next two days until it's easy!)

Write in your dated goal to complete each section every two weeks.

*Remember, checking off all the boxes is NOT the real goal.

Learning to *understand* the music, playing often, and having fun causes you to become a GREAT MUSICIAN - and that's our real goal here!
